GOOD TO GREAT PARENT LEADERSHIP PROGRAMME

OBJECTIVES

Enhance Parenting Knowledge

One of the main objectives is to provide parents with valuable information and knowledge about child development, effective parenting strategies, and relevant parenting topics.

provide an opportunity for self-reflection and personal growth as parents explore ways to improve their parenting approaches and enhance their own well-being.

Help Develop Parenting Skills

The Programme aim to equip parents with practical skills and techniques that they can apply in their day-to-day interactions with their children.

These skills include positive discipline strategies, effective communication techniques, promoting emotional intelligence, setting boundaries, and fostering a nurturing environment.

OBJECTIVES

Address Common Parenting Challenges

The Programme aim to address common parenting challenges and provide guidance on how to overcome them.

This may include managing behavior issues, sibling rivalry, dealing with academic stress, promoting healthy sleep habits, or navigating technology use.

Foster Positive Parent-Child Relationships

The Programme emphasize the importance of building strong and positive relationships between parents and their children.

Provide strategies for building trust, promoting open communication, and nurturing attachment bonds.
